Subject: Fine Payment Required for Cessation Order Number MC-2014-60-07, Blue Mountain Crushing, LLC, BMC Seep's Ridge Road Pit, S/047/0119, Uintah County, Utah

Dear Mr. Cusick:

A review of records of the Division of Oil, Gas and Mining shows that the civil penalty (fine) in the amount of \$396 for the referenced cessation order MC-2014-60-07 has not yet been paid. The final assessment was sent January 7, 2015 (copy enclosed). The timeframe to appeal either the fact of this violation or the amount of the assessed fine has lapsed, and the amount assessed is considered final.

Please remit the total payment by April 23, 2015. If you believe the Division records are in error and that you have paid this fine, please provide with evidence of the payment, such as a copy of the cancelled check, before the due date.

Failure to pay the assessed fine may result in seeking payment through court action or referring the amount due to the Bureau of Debt Collections. This may adversely affect your credit rating.

Please call the permit lead, April Abate at 801-538-5214 or Lynn Kunzler, the assessment officer at 801-538-5310, or me at 801-538-5261 if you have any questions regarding this letter.

Sincerely,

Paul B. Baker,
Minerals Program Manager

Response Due By: 30 Days of Receipt

Dear Mr. Cusick:

The undersigned has been appointed by the Division of Oil, Gas & Mining as the assessment officer for assessing penalties under R647-7.

Enclosed is the proposed civil penalty assessment for the above referenced cessation order. The cessation order was issued by Division inspector, April Abate, on October 29, 2014. Rule R647-7-103 et. seq. has been utilized to determine the proposed penalty of \$396.00. The enclosed worksheet outlines how the civil penalty was assessed.

By these rules, any written information which was submitted by you or your agent within fifteen (15) days of receipt of this Cessation Order has been considered in determining the facts surrounding the violation and the amount of this penalty.

Under R647-7-106, there are two informal appeal options available to you. You may appeal the 'fact of the violation', the proposed civil penalty, or both. If you wish to informally appeal you should file a written request for an informal conference within thirty 30 days of receipt of this letter.

The informal conference will be conducted by a Division-appointed conference officer. The informal conference for the fact of the violation is distinct from the informal assessment conference regarding the proposed penalty. If you wish to review both the fact of the violation and the proposed penalty assessment, you should file a written request for an
